SPCPA Graduation Requirements

To earn a diploma from SPCPA, students must earn passing credit (D- or above) in the following categories:

13.5 Academic Credits (see below for requirements in specific subjects)

20 Arts Credits

Transfer Students

If you have not attended SPCPA for all of your high school experience or have just recently transferred to us, please note that different schools will call their classes different things. It is very important that you look over your transcript carefully to see what classes you've already taken, what you still need to take, and what the appropriate schedule looks like for you, especially since you might not be on the same path as your grade-level peers. If you need help during this process, please reach out to Ms. Johnson (johnsone@spcpa.org).

PSEO

Rising junior and senior students who meet entry criteria may apply to PSEO programs (college coursework for high school students) to satisfy some of their graduation requirements. If you would like more information, please visit our website: spcpa.org > [Current Students](#) > [Student Support Resources](#) > [College Counseling](#), or reach out to Ms. Johnson (johnsone@spcpa.org) or Ms. Green (green@spcpa.org).
