- Registration deadline is **Friday, May 15th @ 4 pm**
- Accurate and timely registration is **important** because:
  - We use registration to determine how many sections of each course to offer
  - If not enough students register for a course, it might not be offered next year
- Wondering what class to take next year? Reach out to your current teacher in that academic dept.
- Email Ms. Johnson ([johnsone@spcpa.org](mailto:johnsone@spcpa.org)) with any other questions
- Need to make changes after **May 15th**? Email Ms. Johnson
